RETRACTED ARTICLE: Whole-genome assembly of *Akkermansia muciniphila* sequenced directly from human stool

Aurélia Caputo¹, Grégory Dubourg^{1,2}, Olivier Croce¹, Sushim Gupta¹, Catherine Robert¹, Laurent Papazian³, Jean-Marc Rolain^{1,2} and Didier Raoult^{1,2*}

The Editor-in-Chief has retracted this article because the authors did not obtain informed consent to publish identifying information about the patient who provided the sample used in this research. The content of this article is no longer available online to protect patient confidentiality.

Grégory Dubourg and Sushim Gupta disagree with this retraction. The remaining authors did not respond to correspondence from the publisher about this retraction.
